

KING CENTER CHARTER SCHOOL

Parents please note these requirements when your child is ill or injured:

If your child is ill (fever above 99.8, vomiting, diarrhea, pink eye, strep throat, breathing problems, flu, unusual rashes or pains) please **DO NOT** send the student to school for a full 24 hours. Notify or take them to their doctor for advise/or prescribed care (medicine).

A parent note is required to excuse absences due to illnesses up to two days.

If your child is ill and absent for more than 2 days, the nurse will need a doctors note to approve the absences and return to school.

ALL injuries require a doctors note stating the student can return to school (with or without restrictions) on **FIRST DAY** that the student returns or you may be called to pick up the student.

At the discretion of the nurse, you may be asked to seek medical care and provide documentation for any questionable rash, illness or injury.
