Our Programs

The Buffalo State Literacy Center provides programs for K-12 students throughout the year. We offer tutoring (spring semester) for K-12 students who need help with literacy skills. In addition, we offer a three week (mornings) summer reading program at an area school. Applications

for the summer program will be accepted until June 15.

Teachers in the program are graduate students completing their Literacy Specialist certification and/or master's degree in education, and work under the guidance of experts in the reading field.

Simply complete the attached application for the Literacy Center program with a certified check, cash, or money order (no personal checks, please) for the amount of \$100.00 (for the spring program) or \$150.00 (summer program) with your name and phone number printed on the check.

If you have any questions, please email:

garasyka@buffalostate.edu
