

February 2020 Parent Newsletter

Happy Valentine's Day

Employee of the Month

Christina Faraci
Music

Monday, February 17th

February Break
February 17th thru February 21st

During this winter season use extra caution to prevent illness!!

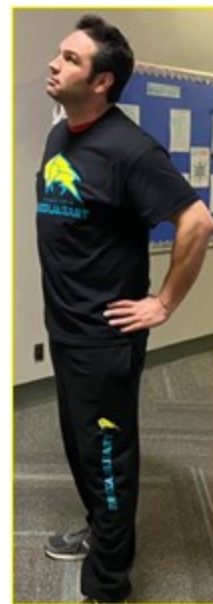

Bacteria and viruses can be 'sprayed' into the air and inhaled in the form of air droplets during face to face conversations. These viruses or bacteria filled droplets can also linger in the air for some time.

Safe rule of thumb; Maintain your personal space during conversation by using an arms length distance. Spray disinfectant when possible to kill those air suspended particles.

DON'T FORGET- WASH HANDS OFTEN WITH A TWENTY SECOND SCRUB OR USE HAND SANITIZER

**BE SAFE
USE CAUTION...STAY HEALTHY!**

**ABRACADABRA
ALAKAZAM!!!**
Presenting a Magic Show
Thursday, February 13th
