Hello KCCS Students and Families,

Welcome Back! I hope you had a summer filled with great memories. I am excited to join the KCCS community as the new Executive Director. I believe in the mission, history, and vision of the school and look forward to being a part of the continued legacy of such an amazing school. As we celebrate the 20<sup>th</sup> Year Anniversary of KCCS, there will be various celebrations and activities throughout the year. I invite you to stay involved and help us celebrate such a groundbreaking milestone for charter schools in Buffalo, New York. KCCS was the first and we continue to LEAD THE WAY in academic success for our students. Our goal is to continue being the Trailblazers for academic success in the community and build KCCS to be "Better Than Ever". My office is always open, feel free to stop by anytime. I look forward to meeting you soon.

My prayer for our Students

Thank you Lord for the unique gifts of every child as they transition into a new school year. Fill each students with fresh enthusiasm and a heart that is excited to learn and grow. Cover them with your enduring love, give them confidence and grace, and equip them with the ability to persevere through trials. Bless their teachers with wisdom, understanding, and a heart to serve, as they embark on the journey together! Amen
